## Featherstone High School GRAPHICS DESIGN TECHNOLOGY Department

## Year: 10

The Big Picture - Making the learning relevant – Why are pupils learning this?	Pupils introduced to GCSE Graphics exam criteria Pearson Edxcel Project one worth 30% of the GCSE Design Brief: Design a Skateboard for Tony Hawks world tour: Creative design research of ideas: Mythology Zentangles Mandalas Typography Famous Artists Designers. Developing skills in presentation, creativity, research of artists, designers and cultures , printing, mixed media Exam piece: create and make a Skate board
Exam Specification (for years 10 to 13)	
How does this scheme of learning build on prior learning?	Building on work from Year 9 pupils develop ideas, and printing, presentation, Zentangles and students have a go then design a skateboard and how to be inspired by ideas into a skateboard
How does this scheme of learning prepare pupils for their next stage of education (CEG)	Students will gain an understanding of working to a Design brief. Developing exploring ideas through artists and cultures and develop techniques skills of printing mark making wi critical understanding of the work
Cultural Capital Development	Awareness of Artists and Exhibitions that are current and develop understanding of Tony Hawk and Graphic desig
on Misconceptions	Pupils will develop ideas using a range of materials and techniques which can then be developed in Photoshop
Literacy (Writing, Oracy, Reading including opportunities to develop wider reading) Numeracy	Key words – Aesthetic, Graphic Design, Design Brief Developing ideas and concepts – understanding and using Tier 2 and Tier 3 keywords including use of oracy to ex Research, Mood boards, Artist work, Experimenting with media and printing, presentation of ideas. Creative thinking to find design solutions, Design sheets and making final piece. Tier 2 and 3 key word bank
for centrally planned home learning	Trackers Home learning sheet supports the POL reviews and develops understanding for each lesson
lum mapping – possible links to other subjects	Art / history / Design
Ind be able to recall by the end of this scheme of	Pupils will be able to understand the design brief research ideas and inspiration They will be able to explain their design choices and ideas, They, will be taught how to present their design s Students will be able to research artists and designers to create own independent and creative outcomes Pupils will develop printing, Mono printing and Polly block printing skills to resolve and develop their ideas Pupils will explore ideas in Photoshop and take photos to develop into final piece
	Pupil will be evidencing the assessment criteria for the GCSE and have good understanding of the A01, A02,
lum Inclusion - Scaffolding for all student groups	Scaffolded trackers and resources provided to support pupils with annotations
SEND EAL	Support with home learning provided Work is scaffolded with writing frames to help with annotations support understanding Connectors to support Recall and ROCK and support understanding Metacognition so pupils understand why

around the world.

esign.

	Find images and ideas and experiment with different media – Alinksy to add colour and mood to work
	Understanding of how images can inspire ideas
	Add drawing and annotations linking ideas to Tony Hawk
Suggested FHS6 Activities including retention and recall and formative assessment	Rock
and formative assessment	Exemplar work
	Use of Tier 2 and 3 keywords to develop understanding Metacognition – why are you doing this how will you develop your ideas
Development of subject specific vocabulary	Design Brief / symmetry / complementary colours harmonious / 8 Art elements/ aesthetic
· · · ·	
For each lesson: Stage 4	Assessment Criteria AO1
Learning Outcome / Objective/ Big Question	
Core Learning & development of subject specific skills	Artists inspiration understanding of how different Artists and Graphics Designer create a Brand and image s
Suggested FHS6 Activities including retention and recall	Research chosen artist / designer
and formative assessment	Create drawings/ paintings and images of work
	Written Annotations using Key 1-3 keywords Layout design and presentation
Development of subject specific vocabulary	Design Brief, target audience, brand complementary colours harmonious / shape pattern Yarn, fabric, material, flo
	Design Brief / symmetry / complementary colours harmonious / shape pattern Yarn, fabric, material, fleece, felt, fi
Development of subject specific vocabulary	Design Brier / symmetry / comprementary colours narmomous / snape pattern 1 am, rabre, material, neece, reit, m
For each lesson: Stage 5	Assessment Criteria A02 Developing on idea using different media
Learning Outcome / Objective/ Big Question	Assessment Criteria A02 Developing an idea using different media
Core Learning & development of subject specific skills	Mono printing Pupils create Mono prints based on the work on either Artists designer research or on Mythology Experiment with colour and line
	Mark making, tone shading Students can use different paper – tissue paper, coloured paper or coloured inks to cre
Suggested FHS6 Activities including retention and recall and formative assessment	Review outcomes learning from doing and repeat and experiment to created different outcomes Present work and annotate work to explain ideas
Development of subject specific vocabulary	
For each lesson: Stage 6	
Learning Outcome / Objective/ Big Question	How can Experimenting with materials improve your work? How can you link this to the artists you have studied? How could you use this to link to the Tony Hawk brand and the Design Brief? Assessment Learning AA02: Experimenting with inks and colour paper Marbling Inks and Salt Bleach and paper
Core Learning & development of subject specific skills	Pupils will learn out to create different graphic effects using a range of different techniques
Suggested FHS6 Activities including retention and recall	Rock to build on tier 2 and 3 keywords
and formative assessment	Experiment with media making connections to artists/ Designers
Development of subject specific vocabulary	Marbling, wet on wet, colour washes, bleaching,
For each lesson: Stage 7	
For each lesson: Stage 7 Learning Outcome / Objective/ Big Question	Creating a brand Typography, Logo design
<b>_</b>	Creating a brand Typography, Logo design   What is Typography? Logo and a Brand

leece, felt, fibre horizontal and vertical designs
fibre horizontal and vertical designs
reate different moods in the work

	Create a layout page show casing ideas
	Investigate ideas and create logo and font using Photoshop
For each lesson: Stage 8	
Learning Outcome / Objective/ Big Question	Assessment Criteria A02 Design Sheet Create design sheets to explore out come for the Tony Hawk Skateboard
Core Learning & development of subject specific skills	Combining Artists and Mythology, cultures and work that has been created in your sketchbook to create a new br Include your Logo skateboard Creatively include techniques developed and reflect inspiration of ideas from different sources researched that is re Annotations which explain the creative journey and process
Suggested FHS6 Activities including retention and recall and formative assessment	Design Brief Link and combine ideas to meet the whole Design Brief
Development of subject specific vocabulary	Design sheet, concept, ideas techniques materials media annotations + additional language to explain techniques lea
For each lesson: Stage 9	
Learning Outcome / Objective/ Big Question	Assessment A04 Create a skateboard design Stick images on to wooden template Add Typography and logo design
Core Learning & development of subject specific skills	Creative design bring all elements of the design together
Suggested FHS6 Activities including retention and recall and formative assessment	Rock starter activities to ensure pupils understand the Design brief and all elements of branding and logo Use of Tier 2-3 language to support annotations of ideas
Development of subject specific vocabulary	All Keywords that link to the Analysis of the artists designers. The making of the work
