

Year 11 Geography

LEARNING JOURNEY

End of Year 11

Links to careers/SMSC/Personal Development

Geography skills and knowledge you gain can be used in almost every job sector. Geography supports spiritual development by promoting a sense of wonder and fascination with the physical and human world. The study of geography stimulates an interest in and a sense of wonder about places. It helps young people make sense of a complex and dynamically changing world.

Paper 3, synoptic

Post 16 choices

Paper 2, Urban Futures, Dynamic Development, UK in the 21st Century, Resource Reliance and Human Fieldwork

Summer

Paper 1, Global Hazards, Changing Climate, Distinctive Landscapes, Sustaining Ecosystems and Physical Fieldwork.

Revision

Key geographical skills practice and revision

Apply your knowledge and understanding to real-world scenarios.

Paper 3

How has an LIDC developed so far

What has led to uneven development?

What development strategy is most appropriate?

What is development and how can it be measured?

Dynamic Development

How can countries ensure their food security?

Resource Reliance

Will we run out of natural resources?

Can we feed nine billion people by 2050?

Autumn

Physical fieldwork

Preparation and the carrying out of the fieldwork, followed by the write up

Distinctive Landscapes

Rivers case study, completion of this unit

Start of Year 11

Summary: GCSE geography provides students with a holistic and practical understanding of geography, enabling them to navigate an increasingly complex and interconnected world while fostering skills and knowledge that can be applied in various academic and professional contexts.
