

Year 10 Geography

LEARNING JOURNEY

On to year 11!

End of Year 10

Links to careers/SMSC/Personal Development

Geography skills and knowledge you gain can be used in almost every job sector. Geography supports spiritual development by promoting a sense of wonder and fascination with the physical and human world. The study of geography stimulates an interest in and a sense of wonder about places. It helps young people make sense of a complex and dynamically changing world.

Preparation and the carrying out of the fieldwork, followed by the write up

Human Fieldwork

Learn about strategies for mitigating climate change,
