Dear Parent and Carer,

RE: Summer Curriculum Enrichment Week

Many of you with older children in the school will be familiar with our curriculum week model when we collapsed the standard timetable for a week and put on a variety of activities to deepen and enrich students' understanding of the subject curriculum and gave them experiences that are usually only available to young people in more affluent areas.

Curriculum Enrichment week will take place from **Monday 26th June to Friday 30th June 2023**. Students will have the opportunity to participate in educational visits and take part in workshops led by external professionals. The day visits and activities will take place during the school day from 8.30 am to 2.25pm approximately (unless otherwise stated).

You may be aware that we are only able to fund educational visits from parental contributions. An outline of the programme of visits is given below:
