

KS 3 Year 8 Curriculum Overview				
Subject; Art LT; Sarah Hurlstone				
Number of lessons a fortnight; 1 double				
When	Title of topic/enquiry and key content covered	Links to National Curriculum	Summative Assessment	Skills including-FHS skills
Autumn term year 8	<p><u>Natural forms</u></p> <p>Explore formal elements of tone, colour, texture, form</p> <p>Explore work of 3-D ceramics artist designers who are inspired by Natural Forms</p>	<p>Will work in, and across, the areas of fine art, craft and design, including both applied and fine art and elements of DT curriculum</p>	<p>Pupils will undergo a range of assessment:</p> <ul style="list-style-type: none"> • Continual formative feedback from teacher. • Peer and self • GPOP • assessment • Summative grading of each 	<p>Organise information</p> <p>Use memory</p> <p>Practice</p> <p>Be creative</p> <p>Plan</p> <p>Research and explore</p> <p>participate</p>

	<p>Kate Malone and Francis Doherty. Andy Rogers</p> <p>Focus on Form and colour shape and texture and materials oil pastels and colour pencils</p> <p>Pupils design and create own clay pot inspired by above artist and observational drawings</p> <p>Health and safety implications of using clay</p>	<p>Study of a range of artefacts from contemporary, historical, personal and cultural contexts Pupils will research, design and make a clay pot inspired and influenced by a variety of natural forms and ceramic artists</p> <p>Pupils will explore the sculptural forms/of the ceramic work Kate Malone or Francis Doherty, Alice Ballard and Andy Rogers</p> <p>Pupils will research Ancient Greek/ Chinese Vessels to gain an understanding of Ceramic work in an Historical context.</p> <p>Pupils will be introduced to oil</p>	<p>finished outcome</p> <ul style="list-style-type: none"> • Assessment system with Mastered / Advanced / Secure / Developing/ Emerging

		<p>natural forms inspire the shape and form? How can texture effect the design?</p> <p>What patterns, shapes, and line can inspire you to Create applied or scored decoration?</p> <p>Pupils will write and explain ideas through annotations used subject specific er 2 and 3 keywords</p> <p>Make a thumb pot, applied relief and incise decoration inspired by relevant research. Pupils will learn how to make a thumb pot, apply relief and incise decoration.</p> <p>Pupils will make clay pinch or coil pots</p>		
--	--	--	--	--

		<p>and then apply and incise decoration</p> <p>Pupils will learn about the health and safety implications of using clay.</p> <p>Pupils will paint pots once they have been fired in the Kiln</p> <p>Rationale for sequence</p> <p>This POL develops skills and introduces pupils to artists and cultures. Pupils develop drawing skills and experiment and with new skills using different media. Pupils develop creativity and explore ideas taking inspiration from a number of cultures and artists. Pupils create personal</p>

		design sheets. They create the designs from 2D to 3D relief.		
Spring term 2 nd Half year 8	<u>Architecture</u>	<p>Work in, and across, the areas of fine art, craft and design, including both applied and fine art practices</p> <p>study of a range of artefacts from contemporary, Historical, personal and cultural contexts</p> <p>Study of a range of artefacts from contemporary, historical, personal and cultural contexts. Pupils will research and explore Architectural buildings from around the world.</p> <p>Pupils will create drawings of</p>	<p>Pupils will undergo a range of assessment:</p> <ul style="list-style-type: none"> • Continual formative GPOP • feedback from teacher. • Peer and self-assessment • Summative grading of each finished outcome • Mastered / Advanced / Secure / Developing/ Emerging • Visual exemplar 	

		<p>Architectural building show an understanding exploring the Mathematical proportion, scale.</p> <p>How does Architecture effect and reflect a Culture and Religion and Identity? How can architecture effect the environment?</p> <p>Pupils will look at iconic British Architecture from Gothic Cathedrals to contemporary landmarks in London EG: The London Shard and the Gurkin and Taj Mal.</p> <p>Understanding of art, craft and design processes, associated</p>

equipment and safe working practices

Pupils will explore the contrast between artists and architecture. They will look at Architecture's relationship with nature – Hundertwasser. Pupils will explore the quirky shapes and proportions of the buildings, the geometric and organic shapes and pattern and colour of the buildings. Pupils will contrast this with Chinese overlapping famous buildings with colour and line.

<p>Summer term year 8</p>	<p>Designing print motif learning pattern repeat sequences</p> <p>Textile felt Motif and relief design</p> <p>Poly block printing of architectural motif to explore pattern shape and design</p>	<p>Work in, and across, the areas of fine art, craft and design, including both applied and fine art practices</p> <p>Design a composition inspired by architecture and the artist Cheism – line, shape, colour using cross hatching to create a 3D form</p> <p>Pupils will design a Mono print inspired by different architectural shapes and lines and forms and positive and negative space</p> <p>Pupils will be introduced to lino/ poly printing</p> <p>Pupils learn a range of repeat pattern prints using colour, challenge blending colour - harmonious</p>	<p>Pupils will undergo a range of assessment:</p> <ul style="list-style-type: none"> • Continual formative feedback from teacher. • Peer and self assessment • GOP • Summative grading of each finished outcome • Assessment system with Mastered / Advanced / Secure / Developing/ Emerging • Visual exemplar 	<p>Organise information</p> <p>Use memory</p> <p>Practice</p> <p>Be creative</p> <p>Plan</p> <p>Research and explore participate</p>
