Year 11 Geography

LEARNING JOURNEY

Post 16 choices

Links to careers/SMSC/Personal Development
Geography skills and knowledge you gain can be used in almost every job sector. Geography supports spiritual development by promoting a sense of wonder and fascination with the physical and human world. The study of geography stimulates an interest in and a sense of wonder about places. It helps young people make sense of a complex and dynamically changing world.

End of Year 11

Paper 2, Urban Futures, Dynamic Development, UK in the 21st Century, Resource Reliance and Human Fieldwork

Revision

Paper 1, Global Hazards, Changing Climate, Distinctive Landscapes, Sustaining Ecosystems and Physical Fieldwork.

Paper 3

Paper 3, synoptic

Key geographical skills practice and revision

Apply your knowledge and understanding to real-world scenarios.

Summer

Dynamic Development

How has an LIDC developed so far?

What has led to uneven development?

What development strategy is most appropriate?

What is development and how can it be measured?

Earth's Natural Resources

Spring

Can we feed 9 billion people by 2050

Resource Reliance

Will we run out of natural resources

Sustaining Ecosystems

Polar regions

Physical fieldwork

Preparation, carrying out and write up of the physical fieldwork.

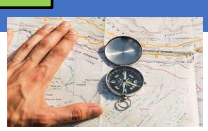

London as a case study

Contemporary challenges and how London can become more sustainable

Autumn

Human fieldwork

Completion of Human fieldwork write up

Start of Year 11

Summary: GCSE geography provides students with a holistic and practical understanding of geography, enabling them to navigate an increasingly complex and interconnected world while fostering skills and knowledge that can be applied in various academic and professional contexts.
