Year 7 Geography

LEARNING JOURNEY

Links to careers/SMSC/Personal Development
Geography skills and knowledge you gain can be used in almost every job sector. Geography supports spiritual development by promoting a sense of wonder and fascination with the physical and human world. The study of geography stimulates an interest in and a sense of wonder about places. It helps young people make sense of a complex and dynamically changing world.

On to year 8!

End of Year 7

Challenges: extreme climate

Russia's Geography: Boon or Challenge?

Benefits: Vast land area and resources

Summer

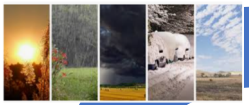

Area where land meets the sea,

Weather and Climate

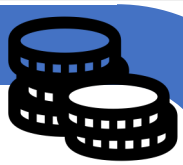

Weather: day-to-day changes in the atmosphere

Spring

Producing, distributing, and consuming goods and services

Understanding the Economy

Economies are made up of different sectors

Managing resources sustainably

Using Earth's Natural Resources

What resources the earth provides

Autumn

Start of Year 7

What is a geographer?

King Street Fieldwork

Maps and basic geographic skills

Summary: **Year 7 is about beginning your journey of geographical understanding. Geography is everywhere and also linked to all that you do, see and experience. As you develop the skills of understanding concepts and using these to both apply and investigate your surroundings you will begin to develop a greater understanding and appreciation of these surroundings.**
