Year 10 Geography

LEARNING JOURNEY

Links to careers/SMSC/Personal Development
Geography skills and knowledge you gain can be used in almost every job sector. Geography supports spiritual development by promoting a sense of wonder and fascination with the physical and human world. The study of geography stimulates an interest in and a sense of wonder about places. It helps young people make sense of a complex and dynamically changing world.

On to year 11!

End of Year 10

Preparation and the carrying out of the fieldwork, followed by the write up

Human Fieldwork

Is there more to polar environments than ice?

Why should tropical rainforests matter to us?

Summer

Why are natural ecosystems important?

Sustaining Ecosystems

What physical processes shape landscapes?

What is a landscape??

Rivers and Coastal landforms

Distinctive Landscapes

Political, Media and Ethnic contribution case studies

Spring

Economic activities and industries

UK in the 21st Century

Urbanisation and population growth.

The UK's geographical features.
