WELCOME TO FEATHERSTONE

As an employer, working directly with a school will help your company future proof their recruitment pipeline by equipping young people with the key skills and qualities that employers demand. Moreover, enabling your employees to volunteer with a school is intensely rewarding and can lead to even greater levels of employee engagement and job satisfaction.

As an education or training provider, you could engage students' interest in technical courses that you might offer.

This brochure outlines the key careers events planned for the current academic year. If you are interested in contributing to any of these, or would like to discuss other ways of engaging with your future work force, please do get in touch.

BUSINESS AMBASSADORS

This can take place on any school day with options for volunteers to speak to a variety of classes. Please get in touch to discuss your requirements.

THE EVENT IS DURING RSHE LESSONS. RSHE is the part of the curriculum covering areas such as careers education, relationships and other aspects of being a good citizen. The lesson you are part of is related to the careers programme.

During the lesson you will have 10-15 minutes to speak to the class about your job. Areas you might want to cover include the qualifications you gained, your career path and the highlights of your role. This is only a guide and Business Ambassadors interpret this successfully in a variety of ways. If you want to accompany your presentation with a Powerpoint on a USB this is okay, but not expected. After your presentation there will be an opportunity for the students to ask questions before the form teacher leads the remainder of the lesson. This is a series of activities which students work through in groups. During this you will be able to help, giving students a chance to speak further with you. This can be arranged 'face to face' or online.

ARTS WEEK

19-22 October 2026

We have recently introduced Arts Week into our annual calendar, and we are building this into a celebration of a range of art forms across Art, Music, Dance and Drama. We will be running trips during this week, and looking for employers to run talks or workshops related to different facets of the arts, so if you work in these areas and are interested in working with our students, please get in touch.

HEALTH & SOCIAL CARE WEEK

1- 5 February 2027

Inspiring the next generation of health & social care professionals!

We are inviting healthcare professionals, organisations, universities, charities and employers to support our exciting week of activities.

We want our students to discover:

Careers – Explore the wide range of roles across health and social care.

Hands-on Workshops – CPR, first aid, EpiPen awareness and other practical activities.

Guest Speakers – Share your career journey, experiences and advice.

Health & Wellbeing – Promote positive physical and mental health.

The Future of Healthcare – Explore innovation, technology and the impact of AI.

Future Pathways – Showcase university courses, apprenticeships, volunteering and work experience opportunities.

Could you support us?

Your expertise and experience could inspire, educate and motivate our students to consider a rewarding future in health and social care.

We would love to hear from you!

Contact: jandrews@featherstonehigh.ealing.sch.uk

Telephone: 020 8843 0984

Together, let's inspire the healthcare workforce of tomorrow!

SCIENCE WEEK

8-12 February 2027

The school runs a very successful annual Science Week allowing students of all ages to experience STEM beyond the confines of the school curriculum. If you work in STEM and would like to visit school to deliver a workshop or talk about your specialism please contact school.

We also welcome education providers of technical STEM courses the opportunity to explain these to students.

NATIONAL APPRENTICESHIP WEEK

8 -14 February 2027

National Apprenticeship Week is an annual week-long celebration of apprenticeships across England and is a time to recognise and applaud apprenticeship success stories across the country. Please get in touch if you would like to promote apprenticeship opportunities to our students.

MOCK INTERVIEWS

30 June 2027

Putting our Year 10s through their paces with mock interviews to build their confidence. Please get in touch if you could help facilitate interview practice.

PROVIDER ACCESS LEGISLATION

Do you offer outstanding progression opportunities for Featherstone students at the end of Year 11 or Year 13? Education and training providers are welcome to attend weekly assemblies and parents' evenings. Alternatively, we can discuss organising a bespoke event.

Assemblies take place between 08:30 and 08:55

Day	Year group
Monday	7
Monday	12
Tuesday	8
Tuesday	13
Wednesday	9
Thursday	10
Friday	11

Year 11 Transitions Evening (6th Form Open Evening): 2 December 2026

Please get in touch to book dates.

VOLUNTEERING OPPORTUNITIES

Featherstone High School students have a vast array of skill and qualities that they are eager to share and develop within their local community. If you need volunteers please get in touch.

Oli de Botton Chief Executive of the Careers & Enterprise Company said:

"As businesses look to tackle skills shortages and diversify their work force, there is real momentum behind school outreach work. A large and increasing number of employers are forging relationships directly with schools and colleges. And this outreach is increasingly leading to intake.

"We can say with confidence that when employers engage with schools with purpose – getting involved early – the work makes a difference to young people and delivers business benefits.

"Businesses say working with the education sector is helping them develop talent pipelines, close skills gaps, increase diversity, and attract job and apprenticeship applicants.

"This work matters. Young people can be inspired about their future and employers can access and even shape their future workforce."
