Dear Parents and Carers,

Re: Featherstone High School receives national recognition for performance

Featherstone High School are delighted that their excellent outcomes have been recognised by SSAT (The Schools, Students and Teachers Network) in this year's Educational Outcomes Awards. The award recognises that Featherstone High School is among the highest performing secondary schools in the country, based on 2023 performance data and information from Ofsted.

Featherstone High School was recognised for being in the top 10% of schools nationally for student progress in the 2023 end of KS4 exams.

The SSAT Educational Outcomes database compares all state-funded schools in England. To be recognised with an Educational Outcomes Award is a significant achievement and a testament to the work of the whole school community.

Sue Williamson, Chief Executive of SSAT said:

"Congratulations to Featherstone High School on winning an SSAT Educational Outcomes Award. This success is down to the superb learning and teaching, outstanding support and inspirational leadership of students, staff, parents and governors. You have made a huge difference to the lives of the young people in your school. Thank you."

Of course, this would not be possible without the brilliant ongoing support of all our parents, carers and families. I look forward to continuing to work in partnership with you in the best interests of all your children.

Yours faithfully,

Mr N. Walters
Headteacher
