

Have you discovered the FHS ePlatform?

The ePlatform is an online library of ebooks to read and audio books to listen to including books by lots of your favourite authors. You can access them wherever and whenever you want on a range of devices.

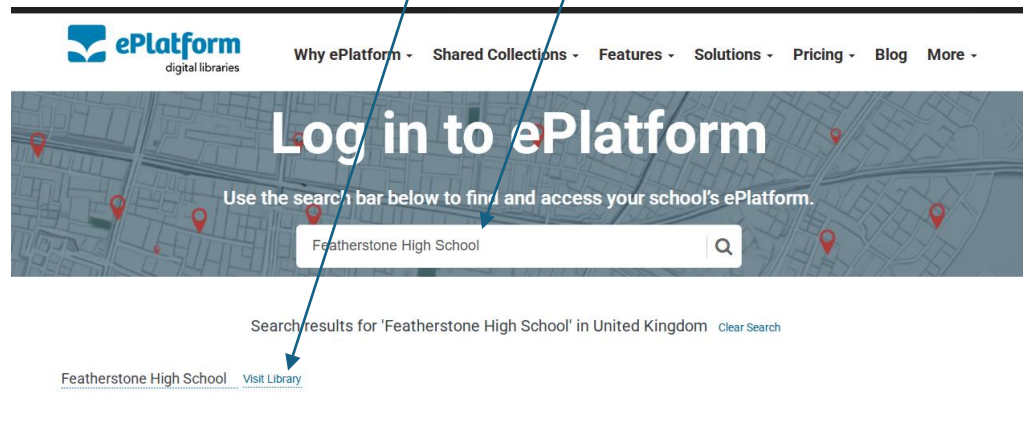

Log-in through the Student Share and WebLinks
or download the app.

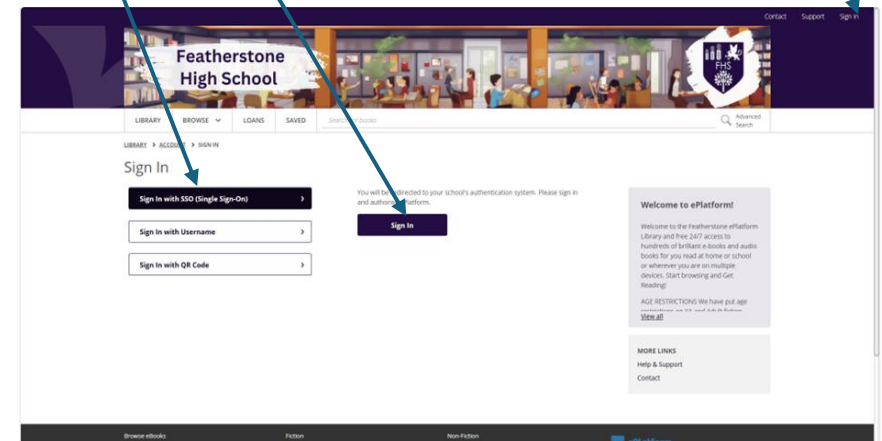

1. Access on Student Share and WebLinks

2. Search the school name then click on Visit Library

3. Click on Sign In at top and again below. It is Single Sign On so you don't need a special password.

Get the ePlatform App

- Download the app, eplatform by Wheelers, from your app store.
- Open the app and tap "FIND YOUR LIBRARY"
- Start typing "Featherstone" into the search box and select Featherstone High School.
- Sign in using your username and password (FHS number and password)
- Start browsing! You will only need to do this setup process once.

1. Browse or Search the Books

2. Choose the book you want. Read a sample to help you decide.

3. Click Borrow and Start Reading!

Browsing Library

Look out for the headphones icon on the book cover for audiobooks.
The others are e-books.

- If the book you want is already on loan you can reserve it.
- You can borrow 2 items at a time.
- Some books are restricted to students in or above a certain year group and a message will appear if you cannot borrow it.
- Remember to **return** your book. Otherwise, the book will be automatically returned after 2 weeks.
- You will get a reminder and can renew if no one else is waiting to read it.
- You can read or listen to your chosen titles from within your browser. If you prefer, you can download it to your computer to listen or read offline.
- You can also choose your own settings for font size, colour and lots more.
