

Safeguarding & Child Protection

Students

The Designated Safeguarding Lead (DSL) is Mr Noel, Senior Assistant Headteacher. The role of the Designated Safeguarding Lead is to have responsibility for safeguarding and child protection at Featherstone High School. There are two Deputy Designated Safeguarding Leads who support Mr Noel to carry out these responsibilities.

All students have the right to be safe from harm and protected from all forms of abuse. This includes all areas of life such as at home, in school, when you are with family and friends and when online. If you are being mistreated or aware of another child or young person who is, please tell someone at your earliest opportunity. In school you can speak to any member of staff who you trust or any adult at home or in your family.

If you (or another child) is in immediate danger, don't delay call the Police on 999. Explain to them where you are, what has happened and they will send a Police officer to help you.

For information and advice on how to keep yourself safe online please go to:
www.internetmatters.org/advice/14plus or www.thinkuknow.co.uk

Speak to an adult in school who you know or to one of the school's child protection officers.
